- Board Meetings: - Three to four times in a year.
Academic Advisory Body Meetings - Twice in a year.

❖ **Organizational chart and processes**

❖ Nature and Extent of involvement of faculty and students in academic affairs/ improvements

- Academic Calendar is made for each semester with full involvement of teaching faculty.
- Every year, seminars/conferences are arranged on Emerging Technologies using organizational skills of teaching faculty and the students.
- In every semester, student feedback is taken.
- Suggestions box is placed in every Department.
- Students also send e-mail to Principal/Secretary informing their problems and indicate the kind of improvements required.
- Tutorial and laboratory groups of 15-20 students have been made for more effective interaction between teachers and the students.
- Several teachers have been included as members of various committees such as Proctorial Board, Library Committee, Purchase Committee, Sports Committee, Cultural Committee etc.

❖ Mechanism/Norms & Procedure for democratic/good Governance:

- SRMCTE believes in participatory management and experiment in democratic living.
- Periodic feedback from the students is obtained and analyzed at the Senior Level.
- The feedback is not a parameter for any punitive action, but only for remedial measures.
- Periodic meetings are held at department level with the teaching / non-teaching staff, at Principal's level/General Secretary's level with Chairpersons/HODs to discuss various issues and evolve a consensus before implementing new systems or before modifying existing systems and procedures.

❖ **Student Feedback on Institutional Governance/faculty performance**

- In every semester, student feedback is taken
- Suggestions regarding quality of teaching being received are invited with the objective to improve performance of faculty.
- Suggestions are also invited from the students, teaching & non – teaching staff for improvement in the Institutional Governance.

❖ **Grievance redressal mechanism for faculty, staff and students**

- Service Rules have been framed and are in use concerning service conditions of the Teaching and non-teaching staff
- Discipline rules, library rules, hostel rules have also been framed for the students and have been implemented

❖ **Programmes**

Sports Event

We at SRM Global believe in the adage of “Healthy mind abodes in Healthy Body” therefore, besides following strictly the academic calendar, special emphasis is also laid on the sports, games, cultural activities, which are not only good for health but also develop a sense of brotherhood and competitiveness among the students. The students of all the institutions located at SRM Campus participate whole heartedly and enthusiastically in the various events during sports meets. Inter College matches such as Cricket, Basket Ball, Volley Ball, Kabaddi and Athletic meets are also organized. The sports and extra-curricular activities provide the opportunities to the students to expl op their talent and team management.

TRAINING & PLACEMENT CELL/ COMPANY VISITS

The Training and Placement Cell headed by the Director, assist the students to develop their technical Skills, soft skills, software skills and carrier interests and to set short & long term goals through individual counseling, seminars, group discussions and workshops. The Cell organizes various activities including the extra sessions throughout the year for the purpose of preparing the prospective students for the campus selection programs.

We believe in effective networking between the management, faculty, and students within the campus; with parents; with alumnae; with industry; with academicians; with regulatory bodies; and with all other stakeholders. There is good inter and intra departmental communication not only amongst faculty but between the students as well. The management is decisive and highly proactive. Parents are in regular touch with the faculty via personal contact program. Parent-Teacher Meet is held regularly. A Call Centre has been established. Alumnae Association is in place.

SRM GLOBAL has signed MOUs with reputed national and international brands for training, placements, and for their regular visits to the campus to interact with students.

SRM GLOBAL has a separate area for Corporate Set Up. Few companies have already set up their offices in the campus. It gives the students a feel of corporate working environment and also to enroll to work with companies at course level.

Proclaimed as 'The Engineering College of the year 2019', Technology Education & Research Integrated Institutions has unequivocally positioned itself as remarkably illustrious institution in the area of technology and management. **Enduring surge in the figures of companies visiting the campus stands as an apotheosis of amelioration.
